## Large-Language Models Disclosure

*This document must be attached as the first page of any assignment you submit to this course.*

Hussein Abou Hamad

Student Name: \_\_\_\_\_

Student Number: 300306879

What large language models did you use to help you complete this assignment? (ChatGPT, Bard, etc.)

NONE

Please provide the 5 prompts you found most useful for solving this assignment:

---

---

---

---

---

What limitations did you identify using LLM for this assignment? How did you overcome them?

---

---

---

---

Through your experience with using LLM to help you solve this assignment, what have you learned? How did this experience enhance your skills/thought process for future challenges?

For this assignment using LLMs was just a means to make the work easier and reduce manual entry into the spreadsheet.
